PAUL DICKINSON From Mulliner to RML

Paul Dickinson was formerly Chief Commercial Officer for Mulliner, the oldest coachbuilder in the world and the centre of Bentley's bespoke personal commissioning business. He was latterly Global Finance Director for Group Lotus. He is now Chief Operating Officer for RML Group Ltd., the UK's leading high-performance automotive engineering specialist which produces the stunning RML Short Wheelbase and P39/GT Hypercar.

TONY HUNTER The man who created James Bond's Bentley

Tony Hunter is a visionary car designer who has worked with Jaguar Land Rover, BMW, MINI, McLaren and Volvo. A huge fan of James Bond, Tony has created his own tribute to James Bond's mythical Bentley which was known as 'The Locomotive', complete with gadgets, phone hidden compartments.

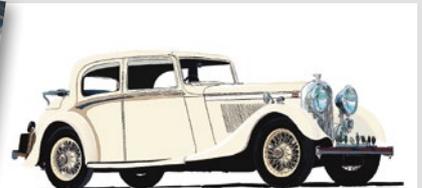

PETER GRIMSDALE Superveloce: How Italian cars conquered the world

Peter Grimsdale is a bestselling writer and television producer. He is the author of 'High Performance: When Britain Ruled The Roads' and 'Racing In The Dark: When The Bentley Boys Conquered Le Mans'. In his third motoring book 'Superveloce: How Italian Cars Conquered The World' he traces a century of Italian design genius and the rise of great marques such as Ferrari, Fiat and Alfa Romeo.

DAWN BOSLEY Specialist Automotive Artist

Dawn Bosley is an automotive artist who specialises in luxury cars. She is the resident artist for the Rolls Royce Enthusiasts Club, the Bentley Drivers Club and the W O Bentley Memorial Foundation. Dawn also undertakes private commissions.
