

Think of what Bentley has meant to you

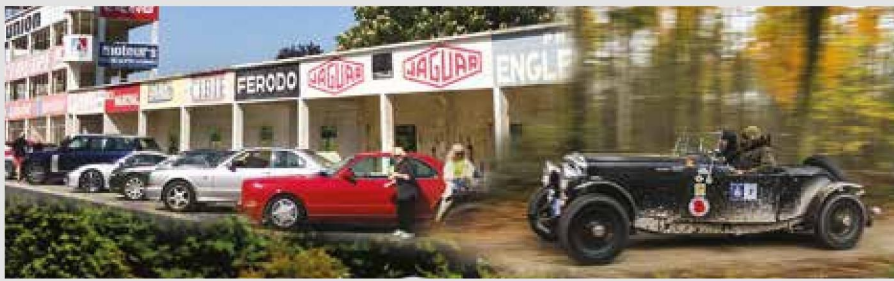

It's been part of your life: the friendships you've made, the adventures you've shared, the magnificent cars you've owned and the sheer joy of seeing the open road unfold before you through that Bentley windscreen.

And now you can help ensure that the flame is handed on, so that future generations of BDC Members and enthusiasts can enjoy the world of Bentley as much as you have.

By remembering the Club or the Foundation in your will you can ensure that our work continues – *and remember: legacies to the Foundation can save thousands in UK inheritance tax.*

To find out more, please contact Ian Scott at Wroxton – 01295-738886 ext.5 ian.scott@wobmf.org
